SEVERAL CHANGES IN MCGILL LINE UP---SHAKE UP IN SCRIMMAGE, OLIVER AND TIMMONS OUT OF GAME. DAN WILL PLAY

It is doubtful if there has ever been a rugby match in the history of football at McGill which has produced so much excitement and interest around every department of the University as the big game on the Campus this afternoon. And as we mentioned in our columns recently this interest is not confined to College but extends all over the city and the whole Canadian rugby world. The reasons for this are not difficult to understand: it is just five years since McGill won the Intercollegiate Championship and since then we have never had a team which was a serious contender for the championship race. Last year the first game of the season, when we held Toronto to a 10 to 9 score on their own grounds, raised our hopes high but they were destined to be shortlived for immediately afterwards injuries deprived us of the services of three of our best men and we never had a look in for the rest of the year. Consequently there is hardly a single undergraduate in the University to-day who has ever known what it is to cheer a championship team, and furthermore it is years since the Intercollegiate standing was ever in such an interesting position. This year we have a very different state of affairs. McGill has more than an even chance for the Championship and to-day's match will decide whether the cup will come back to the Redpath Library or remain at the University of Toronto. As a result the excitement is literally at fever heat and everyone is keyed up to the highest pitch. Where-

ANTICIPATE A
PROSPEROUS YEAR

If enthusiasm, a firm determination to get down to business and a long list of members count for anything the Student Volunteer Band is going to have a prosperous year.

Already about twenty names are on the list, most of whom have decided definitely on their life work.

Four meetings have been held this year at each of which there was a large attendance. At one of these meetings we were impressed with the need of "being a missionary NOW" by Mr. G. Sherwood Eddy. At another Mr. J. B. Hattie Sc. '10 gave us a farewell speech, dealing with some types of graduates.

A business meeting was held on Monday, Oct. 23rd, at which twelve men were present. Several kinds of social and religious works were mentioned in which it was felt that much profit would be found for anyone, who felt able to lend a helping hand. The Band has decided to make a systematic study of city missions with the object of learning the various methods of conducting missions and spreading the Good Tidings.

The first of these visits will take place on Sunday evening. The members will meet at Strathcona Hall at 7 p.m. and go from there to Old Brewery Mission.

The Band also plan to offer their services to the various Young People's Societies of the city for their missionary meetings. A list of missionary topics with their speakers is being prepared. Two members of the Band will go, one will speak while the other will help with the meeting. The Band feel that the benefit derived from this work cannot be overestimated.

The Band extends a cordial invitation to all who are conducting the mission work as their life work to join with them in their meetings and help them their work. We are sure that anyone who joins us will be benefitted. We want to help just men. Don't be afraid to introduce yourself. Anyone who is thinking of going to the foreign field, please get in touch with either H. F. Thompson Arts '12, or W. C. Lowry, Arts '13. Letters left in Strathcona Hall will find either of them.

The Band meets every week in Room B, Strathcona Hall, on Monday at 8 p.m. Come and learn more about us.

TRACK MANAGERS ARE
OLD TIME RIVALS

It is rather interesting to note that the managers of the Toronto and McGill track teams are old rivals on the track. Grief Finch of Toronto Varsity and Charlie Galloway of McGill were both competitors in the British Columbia championships of 1906. After a very exciting race, which was won by inches, Galloway landed first place in the 220. The rival managers have the reputation of being two of the best sprinters in the West.

T. A. H. Taylor, captain of the R. M. C. team is another Westerner who won quite a rep. as an athlete in Vancouver. Unfortunately executive work renders it impossible for Taylor to compete in the Intercollegiate else we would be sure to hear from him.

I have now in stock a full line of the latest Imported Fall Suitings and Overcoats and will be glad to welcome any of my former customers at old McGill. A special pure indigo blue serge will be sold to students only at twenty-five dollars. At the price you cannot buy a better tailored garment anywhere in town.

THE CRUCIAL STRUGGLE

To-day we shall see the vital issue almost decided for this season. The McGill Senior football team will oppose the Toronto Varsity team on the Campus at 2.30. Additional seating accommodation has been provided by the football club but it is already proving far from adequate to hold the vast crowd that is intending to see the game.

When the sale of seats opened Thursday at noon there was a long line of students in the Union and along Sherbrooke that had been patiently waiting their turn for hours. Tickets have been selling like wild-fire and the staff in charge has had its hands full, attempting to meet the demands of all.

Almost the sole topic of conversation is the big game and its possibilities. Speculation of all kinds is rife and excitement, steadily increasing all week, is now reaching a veritable fever-heat.

This is going to be a memorable day at Old McGill. See that there will be nothing connected with to-day's events which will cause regret. The whole University will be assembled on the Campus and every act or word will be construed as a characteristic of McGill. Let every individual assume a certain sense of responsibility and nothing untoward will occur. In the Queen's game the very best spirit was shown both by players and rooters. Everybody was given a fair show and nobody had any objection to make. Perhaps the most pleasing feature of the Queen's game was the generous applause accorded to the opposing team whenever they played brilliantly. It is even more important that the same should be true of to-day's game. We must remember how princely McGill was treated at Toronto two weeks ago. COME ON, YOU MEN OF MCGILL, SHOW THE BOYS IN BLUE AND WHITE THAT WE CAN RECIPROCATE HOSPITALITY AND GOOD SPORTSMANSHIP.

There can be no one at McGill who does not retain vivid impressions of the famous Toronto game of two years ago. That has been described by competent critics as the best football ever seen in Montreal. It was a struggle of giants from start to finish. Victory hung in the balance until the last few seconds of play when Dan Gillmor's almost super-human feat broke Varsity's line and won the game for Old McGill. The scene of enthusiasm which followed was indescribable. The thrills of excitement and gratification which carried the crowd to its feet have had no parallel in inter-collegiate sport.

The McGill-Varsity game in Toronto a fortnight ago was a very close one and the home crowd was by no means certain of victory until the final whistle blew. It is evident that the teams are evenly matched and that any verdict can be expected. Under such circumstances it is particularly gratifying that the style of football peculiar to the inter-collegiate league will be seen at its very best. During the last two years Toronto has conclusively demonstrated the vast superiority of the college game by overwhelming both Ottawa and Hamilton. The inter-provincial teams have been forced to admit their inferiority and backwardness. They are now attempting to the best of their ability to copy some of the brilliant open plays which are so characteristic of Canadian college football.

Everything that coaching, training, and specialization can do for an athletic aggregation will be seen this afternoon on the Campus. Whatever the result, let it be said that the sportsmanship of McGill is unalloyed!

THE INTERCOLLEGIATE MEET

Thanksgiving Day is at hand and with it the intercollegiate championship track and field meet. The personnel of the teams and officials appears elsewhere in the Daily. It would seem from the calibre of the talent in almost every event that the meet will be the best yet. The Varsity boys are right on the job and have no doubt of the issue. Queen's and R. M. C. are sure to make themselves heard in some events at least and their showing very materially affects the championship.

It would hardly be necessary to make a special appeal on behalf of the meet. McGill has always prided herself on her track records and she has every reason to do so. Even if this were not the case a closely contested meet certainly offers many spectacular features. If you attend Monday's meet you will surely get enough thrills to last a long time. In most of the events it will be literally "touch and go." It is safe to predict that the winning team will not have a greater margin than twelve points to its credit.

The track executive has made a special offer to the Rooters' Club and they have promised to turn out in large numbers. This will add excitement to the afternoon's programme.

ALL UP MCGILL AND GIVE YOUR TRACK TEAM SUPPORT ON MONDAY. It will make an ample return for your effort.

Dear Sir:—In reply to Mr. Austin Harrison's letter published in your issue of the 26th inst., may I thank him publicly for the spirit of forbearance shown in it.

I may say that in stating that he was not a member of the Union, I had overlooked the fact that subscriptions are occasionally paid at the Bursar's office. No list has been

received from the latter as yet; and, as Mr. Harrison's name did not appear on our books, I inferred that he had not paid his fees, hence the tone of my former letter, which I regret.

Thanking you, Mr. Editor for publishing this, I remain,

BLUE MEET RED

(Continued from page 1.)

ever you go you hear nothing but football, football, always football and hardly another subject is so much as mentioned. The "dopesters" have exhausted their dope and are racking their brains and the daily press and their friends' tempers for more, the enthusiast finds an indefinitely big field wherein to vent his enthusiasm and the croaker has for once to take a back seat with astonishing rapidity and remain there. All this, whether we win or lose, is an excellent thing for the University and the many estimable gentlemen who spend their time deploring the lack of college spirit at McGill would do well to sit up and take notice and keep their woes to themselves in future.

There will be several changes on the Red and White line-up from that which trimmed Queen's last Saturday. Oliver, who has been putting up such a consistently fine game all year at centre scrimmage, has been ordered to quit the game on account of hip trouble and his enforced retirement has necessitated a complete shake up in the scrimmage. Savage will play centre, his place at left being taken by "Mike" Turnbull, and Digby will in all probability play right. On the line two changes will be made. Timmins' shoulder was so badly injured in the Queen's game that he will be unable to be even in uniform; it looks as if he would be out of the game for some time. His loss will be keenly felt as he put up a magnificent game against Queen's. "Bill" Gartshore, who starred on the team last year and who played against Toronto in the first game will replace him at left middle; he has been putting up a great game in practice all week and should fit nicely. The executive have also decided to play "Burt" Wilkes at left outside in place of Lewis. With these changes the team remains the same. Masson will figure at left half and is expected to show the same brilliant form as he displayed against Queen's, while "Sink" McEwen will again hold down the quarter position; his passing has shown a very marked improvement during the last week and he has been getting the ball out fast and cleanly; he should be in good shape to-day.

The team is particularly fortunate in having such a strong lot of spares this year. Ross is available for the half line and Ernie Paisley has entirely recovered from his knee trouble and is in the best of shape again. Lewis, who has been figuring regularly at outside wing, and Bowie are spares for the line. Rogers and Goldie will also be on hand.

Enough has been said already about the game and McGill's chances to make further comment unnecessary; there is little doubt that the result of the game will hinge largely on the ability of the Varsity halves to catch Billington's punts. If they start to fumble McGill should run up a big score; if they are steady, it will be anybody's game. But whatever happens everything points to one of the most exciting games in the history of Campus rugby. And if McGill wins out it will be some large celebration to-night!

SENIOR MINERS WIN

Miners '12 defeated Civils '12, 6-2 on the Campus on Thursday afternoon. The game was called for 3 sharp as both teams were out early and play started on the dot. Cassels and May acted as officials. The Miners' signals were a feature. Mining and ore-dressing terms kept the Civils guessing. The Civils had a good individual teams but the Miners played together and with a little more zest.

Jones the Miners' star is "probably the best half back the oldest inhabitants" have ever seen for some time. "Alley" McEwen played well at quarter for the Civils.

The game was very clean and fast open play was a feature of the struggle.

The line-up:
Civils — Armstrong, DesRosiers, McKinnon, McEwan, McDermot, Valance, Veilleux, Morkill, McLellan, Edwards, Gohier, McGammon—Manager, P. McDonald.

Miners—Gorman, Jones, Padden, Lynch, Wilson, Gass, Roy, Warburton, Boyd, Legris, Cooper, Harrington, Futterer, Elderkin—Manager, D. A. G. Bell.

Gass and Elderkin were good tacklers, while Futterer played a star game for Miners.

The "noticeables" on the Civils were Armstrong and Edwards of Rooters' Club fame.

Miners are to play off for the championship of the Senior Science Series with Mechanicals next week.

KING CLANCY CALLS MCGILL TO WIN INTERCOLLEGIATE

BUT THINKS TIGERS WILL WIN DOMINION HONOURS

"King" Clancy, the famous Ottawa football coach, in a recent interview picked McGill to win the Intercollegiate Championship, he also figures that Tigers have the call in the Interprovincial, and goes on to say that they will carry everything before them in the fight for the Dominion honours. We agree with the general King in his first prediction and are inclined to think that unless Smirlie, Lawson and Hughie Gall turn out for the Argos his 'dope' may turn out to be correct in the second. We seem to have a faint recollection, however, that two years ago the King spread the news far and wide that Ottawa would fairly wipe the earth with Varsity and demonstrate once for all that Interprovincial football was vastly superior to Intercollegiate; the result of the game was an overwhelming victory for Varsity by over 30 points. For the last two years Toronto has demonstrated in a manner that leaves no room for doubt that the brand of football played in the Intercollegiate is far superior to anything in Canada and R. M. C. has kept up the good work by carrying everything before them in the Intermediate Dominion. If McGill clinches the Intercollegiate this afternoon, she will leave no stone unturned to keep up Varsity's record and continue to uphold the superiority of Intercollegiate football.

THE SITUATION IN THE INTERPROVINCIAL

HUGH GALL AND SMIRLIE LAWSON TO PLAY FOR ARGOS

LIGHT AND DARK BLUE SHOULD
LAND THE HONOURS.

Now that McGill is in the race for Dominion honours, the situation in the interprovincial becomes one of paramount interest to us. At the beginning of the season it looked as if there would be nothing to it but Argos; but Tigers' overwhelming defeat of Ottawa by 33 to 0 and the close call, that Ottawa gave the Light and Dark Blue in Toronto last week, combined with the removal of Ken Williams, their great kicking half back, to Montreal, has made Tigers a distinct favorite in the eyes of the Canadian Rugby public. The Argos, however, under the coaching of Billy Foulds, the famous quarterback of the Varsity Dominion Championship teams of 1909 and 1910 have showed a very marked improvement and their line has very few superiors in Canada to-day; it is only their back division, that is causing their supporters anxiety. Now comes the announcement in yesterday's press that Hughie Gall, probably the finest all round half back the game has ever seen, who led Varsity to victory in the Dominion Championship last year, and Smirlie Lawson, one of, if not the greatest 'hanging halves' that ever donned a football suit, will play for the Argos against Montreal to-day. With Ross, Bailey, Gall and Lawson, and Smith the former R.

If the announcement is true, and there can be very little doubt that it is, it is difficult to see how Argos can fail to land the Interprovincial honours. As to their chances against the winners of the Intercollegiate, we reserve our predictions until a later date.

ROOTERS' CLUB

The thanks of the executive of the Rooters' Club are due to those who sent in parodies for the song sheet. We regret that lack of space prevented us from publishing more of them. Members of the Club are hereby reminded that they must get their general admission tickets at the Union before the game.

We want all the men to be in their places by 2.15 p.m. at latest, as there is going to be a great rush for

Those who are going to wear red sweaters, and we want as many as we can get, are requested to be on hand at 2 o'clock.

The section for the Club will be roped off and members will obtain admission to it on showing their colors and their pink tickets.

Don't forget to bring your song sheets, as the supply is limited. Noise makers of any kind will be welcome, so long as they don't interfere with the singing.

WHIRLWIND CAMPAIGN STARTS WEDNESDAY

ALL CLASSES HAVE PROMISED SUPPORT

A final and far-reaching subscription campaign is about to begin. The class presidents met last night and decided to take drastic action. From the splendid spirit of enthusiasm which they all showed, we can hope for nothing but success. Every class executive will secure lists of its class from the Registrar's office and, when all present subscribers have been checked off, those who are still in the ranks of the unconverted will be subjected to a most exacting campaign for subscriptions.

RIFLE CLUB NOTICE.

The shoot for the Intercollegiate Cup will be held on November 11th, and not on November 4th, as notified in Wednesday's Daily.

A NOTE TO MCGILL MEN

We believe firmly in the policy of letting our subscribers know it is their duty to patronize our advertisers. The writer of this had the pleasure of having tea this afternoon in the spacious and well equipped parlor of the Edinburgh Cafe, and take it from me, fellows, you can certainly enjoy yourself. Just try and see next time you have friends to entertain.

THE JUNIOR DANCE WILL TAKE PLACE ON NOVEMBER 17TH

the sale of tickets opens will be announced later.

TO-NIGHT'S BIG UNION SMOKER; 'VARSITY PLAYERS WILL BE THERE

UNPARALLELED PROGRAMME OF VOCAL, INSTRUMENTAL, BOXING AND WRESTLING STUNTS

As a fitting celebration of this afternoon's victory, a "smoker," attended by the McGill and Varsity football and track men, will be held tonight in the Union.

Every student in the University is entitled to attend, and a cordial invitation is extended to all. The programme as arranged will far surpass anything of a like nature in the entire history of the Union.

The celebrated Rice Brothers, Ekstein, Pearson, and a long array of local talent will make a bill that should easily prove an improvement over all previous occasions. In addition there will be three wrestling bouts, in one of which an ex-champion of Canada has agreed to participate. Boxing bouts also have been

banner one in the history of McGill. Varsity's team and track athletes have accepted the invitation extended to them, and will be present to see and hear the fun.

The man who wilfully neglects to be on hand tonight will not only miss a barrel of fun, but will forego the opportunity of seeing and meeting the best athletes in Canada's two great universities.

It would occupy too much of this paper's valuable space to publish the entire programme as there are innumerable "stunts," all different, all interesting, and all entertaining.

Make it a point to be on hand early, to enjoy the "free smokes" and help out the artists with liberal applause.

Don't forget, the time, the place, and the "smoker" are at 8.30 at the Union.

R.V.C.

An interesting article on the Y. W. C. A. will appear in our special issue next Tuesday.

HISTORICAL CLUB DISCUSSES CATHOLIC ORDERS

The second regular meeting of the Historical Club was held on Thursday evening at Strathcona Hall. The subject dealt with was "Founders of Orders."

Mr. J. A. Mathewson dealt with Iguatius Loyola, Mr. H. F. Thomson with St. Francis Assissi, and Mr. P. E. Corbett with St. Dominic.

In the discussion which followed, Dr. Fryer pointed out that though the tendency today was to think that movements called forth men, yet in a study of these three men we have proof that the opposite standpoint is true—viz., that these men are responsible for movements which have been of great significance.

Dr. Wells asked the members to remember that the proper spirit to recognize that the key to the effects of any historical movement is the cause or influence which brought it about. The Society of Jesus is noted because of the resolution and determination of its leader—Iguatius Loyola. It was through the work of this society that the movement of the Reformation was checked, and the thoughts of the people of Europe were turned back to the Papal Church. Owing to his power of organization, his zeal, and by the vows of poverty, chastity, and service to the Pope, Loyola succeeded in establishing his Papacy in a position which it not even held previous to the Reformation.

Prof. Ludlow emphasized the fact that the Society of Jesus did a great deal to preserve the traditions of Art and Literature during the troublous times of the 17th and 18th centuries in Europe.

It is interesting to remember that the Dominican Order later became the supporters of the Inquisition.

The Franciscans are remembered today chiefly because as a body they were the first to lift the people of the Middle Ages out of corruption, ignorance, and destitution, and brought the Church to a sense of her mission—viz., of preaching to the people, rather than becoming a political machine.

A comparison of the Franciscans and the Jesuits brings out the different attitude taken by these bodies towards the vow of poverty. To the former order the vow of poverty must be applied both to the individual and the corporate body, whereas to the latter, the individual must not acquire any property, while the corporate body aimed at acquiring as much property as possible.
